Chair & Co-Chair Report

Lindsey Frigy (Chair) & Andrea Newvine (Co-Chair)- All band camp dinners were great! Students loved the tacos but pulled pork. Shout out to Brooke for the fun after camp activities. The students had a blast. Another shoutout to Ashley for showing great leadership skills for her team during the scavenger hunt. Raincoats will need to be washed and dried. Board members will help. Apples for the football games have been reserved except for the game on 8/25/2022. Alicia to use grant money to purchase apples for that game.

Treasurer Report

Alicia Schlosser- Have not received an updated balance sheet from the school. Payments are still coming in. Per Will, budget spreadsheet has been very helpful with staying within & under budget. Our account is in a healthy position.

Quartermaster Report

Dustin Frigy- 2022-2023 MMB season props include bull banners and rolling platforms. There will also be a rolling stage for the center along with risers. The prototype for the bulls is a rolling metal frame that has been designed and assembled by Mike Yuresko. Additional parts need to be fabricated the additional 17 frames that will be ordered tonight (8/18) from Menards.

Preparation of material to fabricate the rolling frames will begin this weekend 8/19/2022 and assembly will begin around 8/26. The PVC banner frames will need to be re-adjusted to fit the new metal rolling frames. The graphic for them has been completed and will be sent for printing. Turnaround time with delivery is estimated at 2 weeks. Also thinking about putting fabric hidden on the back for students to put instruments on when transporting on the field.

A 5x8 black rolling platform with a raised central platform is also in development with a completion date of 9/11/22. Basic framework is complete but needs a fresh coat of paint, skirting, etc. Student have mentioned possibly painting the background of the bull design.
