Treasurer Report

Alicia Schlosser- Unsure of total amount in account at this time as ledger was not emailed to us yet. MMB dues continue to come in. There are only three students left to pay the required deposit. Plan on having dinkles and gloves a separate invoice to avoid confusion like last year.

Quartermaster Report

Dustin Frigy- The golf cart is ready for the season! It is fully charged and the oil has been changed on the generator. Currently under the bleachers. Created a thumb drive that contains all the files, contacts and information from his entire time with the E-Board! Thumb drive also contains vital information regarding past competitions including trailer parking and maps. This is very appreciated and will help the new Quartermaster in training! The thumb drive was handed off to Barry Woods, the new secretary to upload and share with the team.

Relations Officer Report

Brooke Burger – Thank you cards have been mailed to individuals and business that have donated to our band in the recent year. There are only 5 cards remaining with student signatures on them. signatures are from students from last year so we will need to have current students sign again as we do have ≈ 50 blank cards left. Going forward, we will be sure announce donations at every booster meeting and send thank you cards out on a monthly basis.

Band Council Report

Ryan and Justin Krzywosinski both present- As school as concluded for this current school year, band council has also concluded. However, drum majors have been busy working diligently to get ready for the new MMB 2023-2024 year. Our new Horn Sergeant, Brayden Yuresko, will be initiating an early summer fitness program to get the band students ready for the season. He will post March Band workouts (bootcamp style) every Monday and Thursday and will ask students to comment on the videos for accountability. Will run for 8 segments concluding at the beginning of pre-camp. Prototype of props are being made. Would like to have them built as soon as possible for practice before first competition. Stacey would like to get vinyl wraps ordered soon to avoid any delays.
